

## **LANDISVILLE ANIMAL HOSPITAL PRE-SURGICAL INSTRUCTIONS**

Your pet is scheduled for surgery on \_\_\_\_\_

1. You should bring your pet in for admission between 7:30 and 8:15 AM
2. Please don't give your pet food after midnight the night before surgery
3. There are no water intake restrictions before surgery
4. Your pet **MUST** be current on all necessary vaccinations (new patients will need written proof)
5. We are open until 7:30 pm on Mon, Tues, Wed, and Thursday, and until 5:30 pm on Friday. Please call for an update before coming to pick up your pet
6. If your pet requires a topical patch applied to prepare for surgery, we apply them the night before surgery. If you prefer, your pet may stay overnight at no additional fee
7. If your pet is on any prescribed medication, please check with your doctor to see if the medication should be given prior to surgery

We will call the day prior to surgery to confirm your pet's appointment and answer any questions you may have.

**PLEASE HAVE A LEGALLY RESPONSIBLE OWNER DROP OFF YOUR PET FOR SURGERY, THERE WILL BE PAPERWORK THAT NEEDS TO BE FILLED OUT AND SIGNED**
